**Subject:** Fruitland Magnesium Fire - OSC Staffing Schedule

Harry

Here is the OSC transition/staffing schedule that I have been able to piece together so far for the Fruitland Magnesium Fire response. It gets us through this week and next.

We will have to re-evaluate for the week of 7/11 and beyond – assuming the response continues that far. Jason has expressed a willingness to continue his involvement, but he has several weeks of response duty coming up and will also be in need of a break.

I have sent this email to the group as well, so if other OSCs have availability for the weeks of 7/11 or 7/18, please let me know.
